Mask Up

If a student or adult are medically exempt from a mask, we need documentation on file. A face shield is required.

- Preschool through 2nd Grade are required to wear a mask, all adults too!
- Mask will be worn unless students & adults are actively eating or drinking. Students may have a water bottle in class.
- Students will have a scheduled, socially distanced snack time daily.
- Students will be socially distanced during outdoor Recess, so they can remove their mask.
