**Russell Independent Schools
2021-2022**

www.russellind.kyschools.us

The Russell Independent School District is requesting feedback on allocating Elementary and Secondary School Emergency Relief (ESSER) II and III funds.

The COVID-19 pandemic has caused an undeniably difficult situation for many over the past 15 months. While we made great progress during the spring and into the summer, we know our students may require additional attention to address academic learning loss/gaps, social-emotional needs, and safety as they return.

Please take a few minutes to answer [this very brief survey](#).

The survey will provide an opportunity for stakeholders to share their input on how to best use the allocated funds.

The survey will close Monday, July 19, 2021.

STAY INFORMED!!!

We would love for you to utilize the modes of communication Russell Independent uses. District communication will always be posted on the district website. We will also distribute that same information through Remind, Twitter and Facebook.

You may want to be removed from certain lists that no longer pertain to you. Due to the high volume of Remind participants, we are not able to remove individuals, so this is how you can remove your number from the participant list. If you're receiving text messages from a class you did not intend to join, you can leave the class to stop messages. To leave ALL Remind classes, text @STOPALL in reply to any message you've received. To leave only a specific teacher's classes, text @LEAVE in reply to the teacher's messages.
