Russell Family,

I am very excited to share with you that Russell Independent Schools will begin 5-days per week, Face to Face Instruction, beginning March 15<sup>th</sup>! This coincides with the beginning of our 4<sup>th</sup> Nine Weeks of school. We will keep the virtual option of instruction through the end of the school year as well.

The District will continue to follow the Healthy at School Guidance from the Department of Public Health and the Kentucky Department of Education. All staff and students will continue to wear a facial covering while on school grounds and while utilizing school transportation. Meals for our virtual students will continue to be available at the RMS cafeteria.

I know that many of our High School Students and Parents are very interested in Prom and Graduation. I can share that Mrs. Chaffin and I are in the process of planning these events now. In the coming weeks I hope to release a calendar of end of year activities for all of our schools.

Sincerely,

M. Sean Horne

Superintendent, Russell Independent Schools
