Superintendent

February 2, 2022

Russell Family,

Due to the Ice Storm predicted for our area tomorrow, I have decided to cancel in-person classes for the remainder of the week. Thursday and Friday will be Non-Traditional Instructional Days. High School, Middle School and Intermediate School students will find their assignments in Google Classroom. Assignments could be in the form of a paper packet or Google Classroom for Primary students. Primary Teachers will give directions to students before the end of school today. Teachers will be available to assist students with their assignments via email on Thursday and Friday during school hours. If power outages occur, students will have the opportunity to complete their work without penalty. Stay Safe Red Devils!

Sincerely,

Dr. M. Sean Horne  
Superintendent  
Russell Independent Schools
