Russell Family,

This evening, Governor Beshear signed an Executive Order that all individuals attending or working in a Public School District are to wear a mask regardless of vaccination status. The Russell Independent School District will comply with this order. Beginning August 11, 2021, all employees, students and visitors are required to wear mask while on school grounds or at school sponsored events until further notice. The District will release more specific plans later this week after meeting with Public Health Officials.

Sincerely,

M. Sean Horne
