Dr. M. SEAN HORNE  
Superintendent

January 21, 2021

Dear Russell Family,

As you are aware the District has operated under a Hybrid Instruction Schedule for the past two weeks in line with Governor Beshear's Executive Order. The District will continue with this schedule for grades K-12 the week of January 25, 2021.

I am very excited to announce that all District Employees who have elected to receive the COVID-19 Vaccination will have that opportunity at the end of next week. Once our employees have received this initial vaccination, I am planning to move toward a four-day school week, with Wednesday's being devoted to Virtual Instruction and deep cleaning of our buildings. I will continue to monitor the Kentucky Incidence Map and consult with Public Health Officials before a final decision is made. As always, any change to our school schedule will be communicated to you via Remind and Social Media Outlets.

I would like to take a moment and thank Chris Crum of the Greenup County Health Department and King's Daughters Medical Center for coordinating a vaccination clinic for all schools in Greenup County. Our staff who elect to take the shot will be fully vaccinated by the beginning of March. If you have any questions or concerns please contact my office.

Sincerely,

*M. Sean Horne*  
Dr. M. Sean Horne,  
Superintendent
